“ I met Dale when I was working for a discount broker in a savings and loan in South Carolina. She was in the Florida office of another savings and loan. After I went to work for International Assets Advisory Corp in Orlando, I called her to see if she wanted to interview for a job as the Operations Manager and she worked with me there for a few years. She was always very caring and professional. I am grateful that she was able to meet her granddaughter and have a loving family. She always talked about her children and their accomplishment. I am sorry for your loss.
