“ *I write this to you, with great sadness and grief and shock because you Danny was genuine and full of life, the last time we spoke was at maria's Bday party and we spoke for quite a while, you always showed love and always was upbeat. You left way too soon and will be missed dearly my friend. Knowing the man you are I know you'll be watching over your wife and kids from up there and as a family we will hold them down here. Rest In Peace bro*

*A man who shares an amazing bond with his brothers,
A man who loves his children whom I too love as my own,
