“ wow. i jsut thought of Dan and tried to call him not having spoken in many months, btu this surprise is a horrible one,

*my heartfelt prayers and wishes to the wonderful family he so loved, Dan remains an inspiration to me.*

*"Danny", as I always knew him, came to mind the other day. It's been years since we last spoke and I'm shocked and deeply saddened by this news. His sense of humor and the classic memories of Allentown will be etched in my mind forever.*

*"Vinnie"*
