“ I have so many good memories with Dan that it would be unfair to mention just one. Having known him for a dozen years or more, I can say that he was a loving brother to me. He treated me like his brother with such respect and affection that it seemed to me that we knew each other far longer than we actually had. I loved the times we all hung out with his Debbie and my Shari, doing lots of eateries in the Winter Park area as well as one of our favorite hangouts, Victorio's Oyster Bar and Grille with Shucker John! We sure put down a lot of buckets over the years. We loved our music and would often sing Karaoke in various venues. Dano's favorite song was John Lennon's Imagine and he sang it so well. I believe Dan is in a place of comfort now, away from the physical pains he endured over the last couple of years and I "imagine" he's revisiting past family and friends who were so dear to him as well as watching us who are still living life in peace.
I'll continue to feel his presence and not forget how pleasant his company felt when we were out enjoying ourselves. He's one of the good guys that will be surely missed by me!
