“ Dan and I shared many great times together in college and all the years since graduation. We enjoyed social get togethers in many states including our retirement years in Florida. Good friends are scarce and Dan will be great loss.

“ Rosie, I'm so sorry to hear of Dan's passing. I always enjoyed our Pioneer luncheons more when I saw you and Dan come through the door. He always had this beautiful smile and was the sweetest man. He was a rare breed. You are blessed to have had such a sweetheart in your life. I'm sure he is looking down and keeping an eye on you. He will let you know when he's around, you just have to notice his hints. God bless you Dan and may you rest in peace.
Your Pioneer friend, Kathy

“ Dan was a man for all seasons. I grew to know him well when he volunteered in Shine in Seminole County about 18 years ago. He was so bright and used his knowledge of people, and teaching to become a wonderful, and much asked for volunteer. We became a tight group of people thru the years. He was very calm, and understanding of people and their problems with medicare. He was like my right hand. Such a caring thoughtful and kind man. He was so fortunate that he found so much happiness with Rose in his last chapter. Believe me, he fought that grim reaper tooth and nail!. I was honored to have him as a friend and will miss him terribly. Geri Harris

“ Dan and I were neighbors growing up in Bridgeport, Connecticut. Since I was a couple of years younger, I was also friends with his brother Howard. When I went off to college and pledged Phi Sigma Delta at UConn, I was delighted to find Dan there a couple of years ahead of me. It was maybe twenty years ago that I met Dan again at a Bassick High School reunion held in Florida. Ever since then Dan and I e-mailed each other frequently. He was a swell guy and will be greatly missed.
