

Daniel D. Robson

September 8, 2013

Robson, Dan 61, of St. Petersburg, passed peacefully on September 8, 2013 with his family by his side. He is the loving husband of Laurie Robson; devoted father of Jacob Robson, Melissa Flowers and her fiance, Tom Stancik; brother of Stuart Robson and his wife, Maxine. He fought a strong and courageous battle with cancer. He was born in New York City and he graduated from Hartford University. Then he moved to Atlanta, GA where he met and married Laurie. They made the move to Florida because he wanted to be closer to the water. He was more than an avid sports fan, and had a special affinity for the Clemson Tigers. He remained close with his college buddies throughout his life, and the connection they shared was as close as if they were brothers. Throughout his career in the transportation industry he made many long-lasting friendships. His nieces and nephews looked up to him with much adoration. He was our family's 'gentle giant.

“ *Burt Zweigenhaft - Childhood friend posted a condolence Dan was one of the nicest kids in Hewlett who was unassuming, funny, intelligent, supportive and most of all just a real person which was hard trust me to be at Hewlett High School. He was our Dobie Gilles he was a great friend he was someone to admire and I was lucky to have had him as my friend I am so saddened by his departure, but uplifted by the way in which he constructed and managed his lifeline I have some childhood pictures I will send to the family please send me an address Burt Zweigenhaft 7 Great Cove Lane Islip, New York 11751*

Burt Zweigenhaft - Childhood friend - September 12, 2013 at 12:00 AM

“ *Sue and Henry Schiller - friend posted a condolence Laurie --we were so sorry to hear of the loss of Dan, the memories of him will always be in our hearts. We will remember meeting him for the first time at the festival and what a great time we all had. He showed us what a warm, fun and gentle person he was. We will miss him. Our best to you and your entire family. --Sue and Henry Schiller*
