“ Thinking about you again today, as I did yesterday, and the day before. I miss you and wish I could have helped you. We will see each other again in heaven, I have no doubt that’s where you are. Love you brother.

“ I met Danny online 20 years ago. We lost touch long ago. I was just thinking about him and found this. My heart breaks for his family. He was special in so many ways. I am so sad that we lost touch.

“ Even though I only got to know Danny for a short time, he made my life that much happier. He had a way about him to always put a smile on your face or make you laugh. I guess my favorite memory is when Debi and him came to our hotel room after Christmas last year and we ordered door dash for dinner. We all just joked and laughed and shared stories. I will always cherish our conversations and being called sister-aunt! Danny will truly be missed! ❤️
