“ *Josie Guerra - Mother posted a condolence To My LOVING son, I will miss you tremendously, words will never express how much I miss you. You were always compassionate, loving and caring. You never held a grudge towards anyone, always forgiving. I will miss your love and bear hugs and your great cooking, you always knew how to create the best dishes from nothing. You were already a first-class chef. Though my heart is broken into a million pieces, I know you are with God. Your heart and soul always belonged to him. I wait for the day I will see you again and once again hold you tight and give you a HUGE hug. I love you always and you will FOREVER be in my heart. Love MOM*

“ Becca Pabon - Cousin posted a condolence Daniel I Love You SO Much. It's hard to accept the fact that you are gone but as bad as we wanted you to stay God had other plans which makes me cling to Proverbs 3:5 "Trust in the Lord with all your heart and lean not on your own understanding." I Love You and Miss You Daniel You were and still are such an important part of this family and we will carry you in our hearts. Titi please if you could take any advice from me let it be this: Trust the Lord, ask Him to give you the strength and the courage you need to make it day by day and always remember God's will is perfect he knows the situations we will be faced with, whether good or bad. He is Holy no matter what and He would never put you in a situation that He felt you could not handle. I Love U...
