“ Neil was my favorite banking client when I ran the bank in College Park and I loved seeing him at OHEV. He would bring me matzo brie.

*May his memory be a blessing*

“ I knew Neil from my sister-in-law Christine. He took very good care of her before and after nursing home placement. He brought her to Virginia, several times, to visit her parents and brothers. My daughter and I visited their home in Maggie Valley and stayed with them. Neil took us out to eat and paid for all our meals. He always called me on my birthday in December. He is a kind, generous, loving and thoughtful man. He will be missed. God bless his family and friends. I am so sorry for his loss.
