“ *Michaela - friend posted a condolence I'm so sorry for your lost to all the family. Danielle, you will always be in my memories. I will never forget all our good times. Your smile, your laugh. The way you always made me feel like you were the sister I always wish I had. You ment so much to me and my family. My children loved you, and called you their aunt. I will never forget all the beautiful things you did with them, when you stayed with me. I will forever love and miss you sweet heart. And I hope your smile is bigger then ever right now, and that your happy and watching over everyone. You truly are a Angel you always were. But now that you are with god, I hope your wings are just as beautiful as you always we're. One day we will meet again, and I hope when we do the first thing I see is your smile and you laugh to me and say welcome to heaven. I love you , rest in peace beautiful.*
