*“ Everything that made Darcy the phenomenal woman she was on earth - her compassion, her laugh, her stories, she is now sharing in heaven. And even though it seems like you can never recover from this loss, it is these very memories that will help ease the pain and bring back the smiles, that she always put on our faces & in our hearts. Let the love that surrounds you help you through. Blessings of comfort & love

*“ To the Meagher and Jurrens family,
My deepest sympathy goes out to both families in their loss.
I wish I could be there on Monday night but will be there in spirit and
always thinking of Darcy and what she meant to me.
My prayers and thoughts go out to both families.*

“ Darcy was such an inspiration to me for being as up beat as any lady could be. I shall miss my weekly visit with her. Hail Mary, full of Grace, the Lord is with you and Darcy you are with the Lord. Thank you for your smiles.

“ Oh Darcy! You were such an encouragement in my young career as an Arborist. Your passion for trees and people lit a fire in me. It was your teaching and insistence that I join the I.S.A. that has made all the difference. Thanks for sharing your passion and for being Darcy, "The Tree Lady" for so many of us.

“ I remember a folk choir many years ago at St. Mary Magdalene in Altamonte Springs, and the songs Darcy wrote for us.
