

## David Raymond Akins

November 25, 1938 - April 24, 2020

David Raymond Akins, age 80, sailed away into his sunset from home on April 24, 2020. He was surrounded by his soulmate in life of 28 years, Marti Miller, and his loving extended family. David was born on November 25, 1938 in Youngstown, Ohio to parents Florence and Carl Akins, Sr.

The family relocated to Orlando, Florida, where he attended Edgewater High School. Upon graduation, David moved to Chicago to pursue his passion for the Arts. He attended the Art Institute of Chicago, the American Academy of the Arts and the Institute of Lettering and Design. Post graduation, he returned to Orlando where he began his career in Graphic Design and founded his business known as “Akins the Artist”.

David received many accolades from his civic involvement in local clubs and organizations, however, his love of sailing was his primary passion. As Commodore to “The Sailing Club” where he was a proud member for over 30 years, David sailed The Bahamas and Caribbean Islands with his first mate, Marti, along with his close friends and family. Captain Dave’s adventures were so legendary everyone wanted to come along so he became the “Admiral of the Fleet”.

New and great-grandchild, Raegan.

His extended family are daughters; Cheryl (Terry) Bennett, Lisa (Jim) Knight and Grandchildren, Stephen (Candace) Bennett, Harry Bennett, Kristen Bennett, Maddie and Sophie Knight. His loving great-grandchildren; Isabella Talaga, Ellie Bennett, Brielle Cohen and Michael Sloat.

“ Having known Dave all his life as his brother, there are so many memories to go over in my mind. We grew up in a small Orlando where on the week ends the three brothers would take the City Bus to down town to see cowboy movies and visit the few stores on Orange Ave. This would take up most of Saturday. Living in Orlando before Disney was great! After I joined the Air Force and was stationed in Tampa, Dave moved over and we shared a small apartment. On the week-ends we played in a band and got to be well known in a small (1959) Tampa. After the Air Force moved me several times before discharge I finally moved back to Orlando. Dave and I again played in a band on week-ends and enjoyed many family outings. Dave's final 28 years with Marti were his happiest. She was the best thing that ever happened to him. Thank you Marti.

*We were so sadden to hear about Uncle Dave. You & family have our deepest sympathy and love. David was a special person who was fun to be around and had a gentle way about him with a twinkle in his eyes & full of mischief. I always looked forward to seeing him and you Marti. It was so evident that you both were a sweet devoted couple together that really shined through. I always wished all our families lived closer so we could of visited more. I will hold the fond memories I have of all our visits together growing up in Ohio and visiting in Florida. His kindness to my husband & myself when we were first were married was greatly appreciated.*

“ Sally and I have been two of Dave's many sailing buddies since early 1989, when we met during the planning of the Sea Gals cruise to and from the Abaco Islands of the Bahamas that occurred in May of that year from Fort Lauderdale. Since then, we sailed with Dave in the Florida Keys, Tampa Bay, the Intracoastal Waterway on both Florida Coasts, and, of course, the lakes of Central Florida. Dave was Commodore of The Sailing Club while I was Boat Daddy under Dave's leadership. Today, upon learning of Dave's passing, we spent time remembering all those good times. We will miss him, but are glad that he is now experiencing fair winds and following seas. Marti, our thoughts are with you. You were there for Dave in fair weather and in rough seas. He appreciated that, and so do we.

“ *Joyce and I will miss David, who was our partner with Marti in the life Journeys of sailing and Parkinson's , and the philosophy of WORRY NO MORE, a Beneteau we sailed together!  
I remember when I first met David, who encouraged me to become a sailing instructor, a rewarding bit of fun that I did a few years, also meeting some good people. David was a balance of quietness and strength, and good in whatever he did. Our thoughts are with you Marti.*

“ *Dave will be missed very much by so many. But as he sailed out of our sight, we know his older 2 sisters and 2 brothers were excited to see him on the horizon...coming to join them and what a party they must be having! Marti, our love and sympathy is with you, along with gratitude for bringing Dave so much love and laughter for years. We also thank you for your loving support and care when David needed you most, David was fun, caring, sensitive, and loving, and those qualities were demonstrated in his incredible art. Dave, until we meet again, we love you dearly and thank you for the memories.*

“ *Marti and family,  
David was the most happy and kind man. Despite all the challenges he has faced in his life, he always had a smile. A big smile and it lit up the room. I will miss that smile and his warm presence. You are all in my thoughts and prayers. David had a special place in my heart and will be so very missed. Love to you all.*
