

David W. Burgett

August 31, 2014

David W. Burgett passed away after a sudden illness on August 31. Born February 5, 1984, he brought joy and delight to his parents as they watched him grow into a child with expressive blue eyes and a mischievous grin. He will be remembered for his affectionate nature and adventurous spirit as he strived to connect to the world in a positive and loving way. He searched for a sense of belonging and accomplishment whether playing Little League baseball as a child

or working in the sales industry as he matured into adulthood. David had a passion for life and was willing to address personal challenges by seeking solutions in the rooms of 12 step recovery .

He had a strong sense of family love and loyalty, and enjoyed hanging out fishing at Fort De Soto, going to breakfast, long walks in the park, interacting with others about sports and with people who were like minded. He took great pleasure cooking for family and friends, especially during the Christmas holidays. He is survived by his parents Laurie and Weldon, brother Robert, grandparents

Derelle and Robert Martin, Aunts Sally Youngman, Janet Monolias, Debbie Ford, and Uncle Tom Burgett as well as several cousins and extended family and friends that loved him dearly.

“ *Dawn - Cousin? posted a condolence I did not know David well since he lived in Florida and I'm in Chicago but a fond memory I have is bringing my son Kyle down there with me when the boys were about 9 and 11. They hit it off perfect and went wandering Clearwater while Lori and I soaked up the sun Your grief must be unbelievable. We just lost a good friend to a motorcycle accident about 5 weeks ago and a day doesn't go by that I don't think about him. Soon all your memories will make you smile. He's in Gods home now and at peace. Hopefully he finds my parents and grandma and grandpa and gives them a big hug from all of us Bless you and feel my hugs Dawn*

My memory of him was how much he helped his Grandmother, Derelle. He helped bring her to my home several times so we could have time together. He was so sweet and caring. God bless all who cared so much for him.
