“ *Jennifer A. - friend posted a condolence My dearest Jules, I am so sorry for your loss; I know how much you loved your dad and how close you 2 were. Loosing a loved one is never easy; we always feel like there wasn't enough time, or that there are so many things that you still want to share; so many memories to still be had... but we have the promise that, if we believe, we will see our loved ones again. Please know that I am thinking about you and the family and I am here for anything you may need. Sending you love, Jennifer*

“ *Maggie Jewett - Friend/co-worker posted a condolence Please know what a loved and respected man David was at Clearwater Police Department. One of the “go to” people. Someone who would drop everything to help you, in a kind way. He knew his stuff, for sure, but never proud or boastful. Our hearts go out to his family who loved and cared for him until he ran into the arms of Jesus, and I have no doubt that he did!*

“ Rebecca Shelor - Co-worker posted a condolence David was one of my first supervisors at Clearwater Police. He was an honorable man, with a kind heart, an empathetic ear, and a soft-spoken nature that helped calm many a caller in distress. It was an honor to work with him. Godspeed Dave! My heart is with the family.
