

David E. Eaton

April 24, 2010

Eaton, David E. 80 passed away April 24, 2010 at Northside Hospital after a long stay following heart surgery. Born in Blackshear, Ga. He retired from the Air Force after 20 years, spending time in numerous locations in the States as well as Japan and Thailand. He received his doctorate in chemistry and owned DEE Medical Labs in Central Florida for many years. Many of his former employees have gone on to successful careers due to David

“ *Don and Betty Keith - neighbors posted a condolence Dave was a great guy and a good neighbor. He worked hard to be able to retire at leisure. We enjoyed rescuing his little dashund a few times - even our Holly liked that little one. We occassionally would meet he and Carolyn on walks. We will miss him. Peace be with you, Carolyn and all the family. God bless Betty Keith*

“ *John Lunceford - Employee posted a condolence I interviewed for a job with Dave in 1975 and I can still remember that interview today. He was a wonderful boss and friend. When you worked for Dave you became part of a family. Dave was just one of those rare special people who was ahead of his time. He made an impact on my life and I will never forget him.*

John Lunceford - Employee - April 27, 2010 at 12:00 AM

“ *Nicole and Joshua Love - Stepchildren posted a condolence We will miss our stepfather so much. Especially his strong, caring love he showed through his sense of humor and interesting stories. We will never forget the beautiful day he married us on the beach. He will always be loved and missed, and we are confident he is resting peacefully now with God. Thoughts and prayers go out to all of our family and friends. Love, Nicki and Josh*
