“ I was shocked and saddened to see that my cousin, David Pat, just recently passed away. I was born on his third birthday which was the wedding anniversary of our Pearson grandparents, He lived in California with his family so we didn't see him often, and not for many years. I always felt a little closeness because we shared a birthday. I knew his mother, my Aunt Margaret. I loved her a lot and enjoyed it when she came to visit. We always enjoyed the See's suckers she would bring for us. I express my love and sympathy to his loved ones. I am sure that he was a great man and will be missed. May the Lord bless you and keep you.

Love,
