“ I have so many fond memories of David that it would take days to share. His off duty work at Bay Hill working with Dave kept me in stitches at times. Cindy, I always referred to Dave as a gentle gist. Always willing to serve and assist.

A man who could say no to a friend at a time of need. Needles to say I was stunned when I heard the news.

Like all, I find it difficult to accept the fact that he is gone. He is not here with all of us but his legacy will live forever. Cindy, Jen, I will always be ready to assist you and your family at time of need..

May God bless the Lawing family throughout this unfortunate period,
