“ It was nice to know my sister had a good guy to share her life with for 30 years. I wish he could have stayed another 30 plus years but thank God he was allowed to stay and raise his children. We will miss seeing him at the family gatherings.

“ I was a childhood friend of David through church and from the Laboratory School in Charleston-am so saddened to read of his loss. Always a sweet guy, and my memories find me seeing him laughing-he had a great sense of humor even as a kid. My sincere condolences to all of you who knew and loved him. Gone much too soon. “ I had the honor of knowing David and he was my cubicle neighbor for a long time at the administrative office. He always had a smile on his face and was extremely caring. I remember he would always ask me how to work his "stupid, smart phone." It was a blessing getting to know him. You will truly be missed.

“ I am truly blessed to have known Dave. As a colleague, seeing him in his fun ties always brightened up my work day. And who could forget his Pumpkin Dump Cake! Every time I make it now, and my house begins to smell of the delicious pumpkin and spices, I will remember Dave. My sincerest condolences to his family.

I moved to Charleston in 1974. I was not part of the lab school kids who grew up together. Dave was always very friendly. He made me feel welcome in a town where not everyone did. I remember an easy going guy with a great sense of humor. I'm so sorry for your loss
