“ To David's family....Dave was one of the nicest, most gentle and wisest men I have ever been honored to know. My heart goes out to all of you. It is a most difficult time and I pray for you to have peace in your memories. My children loved Dave. Nicky thought he was the best Little League coach in the entire world. And, I think he might have been because he was such a good man. Glen and Neal, you can be proud of the man you were blessed to call Dad. He was so very proud of you two. Angela, may peace come your way soon. It won't be easy, but it will be possible. I send you my love and fond memories of my friendship with you, my friendship with Dave, my memories of his quiet, gentle ways with everyone. A friend told me, when my partner passed, that we were so close that her DNA was imprinted on mine and in that way, she would always be with me. It brought me much comfort during the times when missing her was so intense. May the thought that Dave is always with you, even in death, bring you some comfort. A song I used to sing had a line in it....love is stronger than death. It is. You are all in my heart and in my prayers. The world was a better place for having Dave Sukkert in it and his passing leaves a space that no one can ever fill. All that can fill it is love, which is eternal.

*I used to work with Dave at BellSouth. He was a good man to work with and was very reasonable in what he wanted to do at work. He loved the Falcon and the Owl and would show them off when he had one in the truck. I enjoyed the camping adventures he used to talk about living in the back of the pickup. I used to call every so often and chat then time just got in the way and now I really miss the fact I can't call my friend Smokey any more.....!*
