“ I always remember David as a good guy. I loved his sign in his office "question authority".

“ My sincere and heartfelt condolences to the family of Dave Utvich. I knew Dave since he was friends with my older brother, Raymond Miller, at Christopher Columbus High School in Miami. I will always remember Dave as a being a very intelligent person with a unique sense of humor. We were all really into The Beatles music at that time in our lives, and many still are. May Dave's soul rest in eternal peace and may God grant peace and comfort to Dave's family and friends during this most difficult time.

"And in the end, the love you take, is equal to the love you make..."

I can still picture David sitting across from me with a Campari in one hand and a smoke in the other while discussing life, family and of course his beloved Gators. I will miss you my old friend. Prayers to Rosemary, Lauren and family. Godspeed.
