“ *My sweet childhood friend from Astoria, it was a sad day when you moved to Florida as it was a very sad day when I heard of your passing. We had such fun simple times hanging out you, Pfeif, Colleen, Lynne (oh the memories) especially playing softball at PS85..I still feel bad that I swung the bat and let go and hit you hard, I was not as good or as cool as you. May you find eternal peace and comfort. My deepest condolences to your family and friends.*

I'm so sorry for your loss and I am continuing to pray for your family. I knew Dawn from our group with Marci Elliot and I gave her a hug on the first day I met her and hoped she would feel better. I pray for comfort and peace for her family. I'm sad to have lost her. Liane Parish

“ I know you had to go. I cannot imagine your heartache. I am so sorry that we all did not do more, so you would know and feel how much you are loved.

You, my dear, were always there for everyone else. We miss you already.

I hope that in the coming days, all that you loved and those who loved you will be comforted by all of the sweet memories that you shared. Godspeed sweet girl.

I am in shock. Dawn you were the coolest person ever. I cannot believe this is true. Heartbroken. I know....I know and I am so sorry, because I know... All our talks at the coffee shop, how excited you were about getting the bear lake house, listening to The Cranberries until I finally liked them.... So many talks. I will think of you everytime I listen to them. Always will admire so much about you! Love you Dawn!
