“ I met Debbie at karaoke and we connected instantly. As I got to know her, I discovered what an amazing person she was and I quickly learned what a fighter she was. She had such an infectious laugh and a personality like no other. Debbie always had a smile and was willing to help a friend in need, no matter what she had going on in her life. The Lord broke the mold when he created her and if there were more like her, the world would be a better place. This is not goodbye, this is until we meet again. Love you and miss you my friend.
