“ This is Lisa Jasper. I just learned of Debi's death today. Im very sorry for your loss. My family and I are so upset to hear this incredibly sad news. Debi and I met in 1984 here in Arizona. My son Tommy was 4 when he introduced us. When he saw Debi he said, "Hi your gorgeous, I like blonds, come meet my Mommy". We were bff's ever since so this is very hard for me. TIm sick about it. No one that knows me or about me, my family or our close friendship called me. The last time I saw Debi was when my family and I visited her in Florida. Kelly was a baby.We had so much fun. Debi was so proud of the shop and even did my hair there. I did do my best to keep in touch over the years in spite of a few address and phone number changes for both of us. I couldnt get Deb to use the net. I definately had some worries. I googled and was shocked to see the obit. My son is crying, we all are. Can someone please call me? My number is 623.505.7505 is home and my cell is 623.986.2329.

“ I am so sorry to hear about Debi. I worked with Debi for 10 years and she was always so pleasant to be around .. She will be missed by many .. May her family and friends find comfort in gods word , that promises the hope of the resurrection (Isaiah 25:8 Rev 21:3,4) As we ponder on the fond memories of Debi , may it bring us joy during this difficult time.
