

## Deepak Bansal

July 1, 1973 - May 29, 2017

Deepak Bansal, 43, died peacefully in his sleep on May 29, 2017 in his home in Lake Mary, FL. He was born on July 1, 1973 in Trenton, NJ and spent most of his childhood in Reading, MA. He was a charismatic and adventurous man and loving husband, father, son and brother. He loved his family more than anything in the world. He was very trusting, he became friends with everyone, if someone was in need of any kind of help he was willing to sit down and talk with them for hours on end just to help them out. He was a very selfless, caring, and respected person. He graduated with a B.S. in Computer Science from Northeastern University. Among his many accomplishments, he was a software engineer, business man, real estate developer, pilot and had passion for flying. He loved sports and was a life-long Patriot's fan. Deepak is survived by his wife Minoo, his sons Vikram and Rohan, daughter Sonia, parents, Dau and Asha Bansal; sister, Ruby Bansal married to John Berryhill and niece, Meera, and nephew, Naveen; sister Neeta Bansal married to Richard Kim and niece, Priya and many loving aunts, uncles, cousins, nieces and nephews here in USA and India.

We are really proud of him for his accomplishments, his love of his family, and his adventurous nature. He will always live in our hearts but we will miss his physical presence deeply.

Funeral services will be held at DeGusipe Funeral Home on Saturday, June 3,

2017 at 3 PM.

“ *Deep will be sorely missed. He was an exceptional human being - highly intelligent, humorous, and accomplished, yet always unpretentious. He was an unwaveringly sincere and trusted friend throughout the years. His loss leaves a huge void in all of our lives. I wish his family strength as they carry on in this difficult time.*
