July 5, 1957 - January 20, 2023

It is with a heavy heart that our family announces the passing of Deidra A. Manthey, 65, of Sanford, Florida on January 20th, 2023.

Deidra was born in New Jersey to parents John and Cynthia (both deceased) on July 5th, 1957. She was the youngest of three siblings. Daryll (eldest, deceased) and survived by middle brother Derek. Deidra leaves behind daughter Danielle and two step children from a previous marriage, David and Eric.

Deidra spent her childhood on Lake Mohawk, New Jersey where she enjoyed skiing in the winter, and competitive swimming in the summers. When Deidra was 18 she moved to the Big Apple where she worked as an executive assistant & fashion icon of the 70's & 80's. As Deidra grew in her career, she fell in love with two little boys ages 3-5 (Eric & David) and a Navy Sailor. Deidra then moved to Florida married and gave birth to her daughter Danielle three short years later. Deidra loved all her children and did everything to set an example on how to work hard and stay focused. Deidra led her children down the right path to be successful adults. Deidra continued to work as an executive assistant but always made sure to take the time to create endless memories for her loved ones with many family vacations.

She was known as a strong hearted woman with a top-notch work ethic. The

only thing greater was Deidra's famous gourmet homemade meals she made every night. Deidra passed away early afternoon with daughter Danielle by her side. Danielle was playing Led Zeppelin's Stairway To Heaven when she so gracefully left us, showcasing the style and class Deidra was always known to have. She was loved by all and will be missed dearly.

Rest In Peace Deidra Allison Manthey.

“ My name is Tommy, and I wish to extend my deepest condolences for the loss of Deidra 🙏 A little background on our relationship from 1973- late 76. We were crazy about each other of course we were just kids! Inseparable Anyway I got her a place in Bay Ridge Bklyn a few blocks from my Family's home . We slowly drifted away I went to Sussex and she stayed in Bklyn. Loved Her ❤️. A quote from Angie. Stones. I used to say to Deidra when I would not seek her for a while—. Everywhere I Look I see Your Eyes!! Rest in Peace
