“ *I was honored to have known you, and your warm energy..the stories Ive read from your words amaze me, and that you lived through the hell on earth during your campaigns..I am comforted now that you are at peace and with family,friends and comrades. Hawaii, Normandy and airborne reunions will be missing your presence for years to come. Your unconditional giving to the veterans since the war has been far above and beyond the call of duty..My father and I have been blessed to have been in your life..I already look forward to visiting your landing spot and my fathers as well..I found it !! You will not be forgotten..I will carve your name in stone and the stone will have a place in Normandy....ALL THE WAY,...ZANE...ALL THE WAY...YOU ARE HOME NOW...ALOHA*
