“ *It is with sadness that we give our deepest sympathies to our friend/sister Carol and her sweet daughter Precious. We were fond of Mom Lois, and she placed a footprint on our hearts from the first time we met her in 2015.*

Her caring spirit was evident in her mannerism. So glad that we got a chance to be in our presence during her last earth assigned days. We enjoyed the stories and laughs about life's chapters & journey's crooks and turns. But most of all we admire her courage, faith, resolve and trust in the Lord to be with His children in the face of death. Nothing separates us from the love of God. So rest Mom Cooper until the reunion in Glory. Fondest hugs & love from Leon "Lil Blu" & Wendy "That Chick" Holder
