“ I will always remember Denise as a friend and a great seamstress. She was talented, creative, and always willing to help in so many ways. She loved her family and caring for grandchildren. I remember her smile, her positive approach to life--as well as the sorrow she felt at the loss of her sister. When I was serving at Maitland Pres as the part time Christian Ed Director I happened to mention my college, Muskingum..To my surprise Denise had a cousin who was in my class, Dave Jones and his wife, Becky Rigby Jones. She has been in my prayers these past couple of years as I learned of her battle with cancer..my thoughts are with Roger and the family. May you know God's presence beside you and surrounding you at this time and bringing comfort.

*With love and affection in Christ Jesus,
