

Denise L. Schnitker

June 6, 1966 - July 27, 2017

Denise Lynn Schnitker, 51, of Apopka, Florida passed away peacefully on July 27,

2017. She was born on June 6, 1966 in Louisiana to Sam and Ingrid Lewis.

Denise is survived by her husband of twenty-seven years, Kevin Michael Schnitker,

her daughter Taylor Leigh Schnitker, and her son Kyle Lee Schnitker all of Apopka,

her three siblings, and several extended family members. She was preceded in death

by her mother.

Denise graduated from Lake Brantley High School. She went on to become an office

manager for Molecular Dimensions in Altamonte Springs, Florida. She also was a

proud Catholic, and attended Annunciation Catholic Church.

Denise relentlessly battled cancer over the past three years. She showed great

strength and determination throughout, and never complained about her situation.

She was an inspiration for all who came in contact with her during her fight.

Denise had a natural inclination to care for others, and she lovingly cared for her

mother prior to her death. Denise took a special interest in children, her own children as well as all of her nieces and nephews. At family gatherings she would take first dibs on cuddling the newest baby, and she enjoyed talking with all of her family members to hear what was happening in their lives. She loved her family. She enjoyed going to craft fairs, found joy in traveling, especially to the beaches of Florida and mountains of North Carolina. Fall was her favorite time of the year as evidenced by her spectacular Halloween decorations. Denise also had a special place in her heart for animals, and enjoyed spending time with the family pets. She will truly be missed by all who knew her, and will live on in our hearts forever.

“ *My heart is broken to hear the loss of Denise. She was such a large part of my life starting with being my Godmother. We spent countless hours talking about our children, our wants our dreams. Our friendship started through our daughters at a very young age and became our own special one. We share many big life moments together, buying homes, cars, my journey in becoming a Catholic and the births of our sons. She shared her whole family, extended included with us. I couldn't have dreamed a better friend/sister. My heart goes out to Kevin, Taylor & Kyle, you kids meant everything to her.*
