“ this song comes to my mind, my dear brother...THERE'S A LAND THAT IS FAIRER THAN DAY, AND BY FAITH WE CAN SEE IT A-FAR, FOR THE FATHER WAITS OVER THE WAY, TO PREPARE US A DWELLING PLACE THERE...IN THE SWEET BY AND BY WE SHALL MEET ON THAT BEAUTIFUL SHORE. ...

Knowing you are there brings comfort to my heart,

Dennis was a good friend of my brother, and he was also like a big brother to me when I was a kid in South Dakota. He was always very nice and respectful to everyone. He was known for his skill in playing basketball also. My prayers go out to Judy and his children. He will be missed.

I have a lot of good memories of Dennis as we were growing up in Blunt. I would like to share them with you sometime. We had to be inventive in creating with nearly every thing we did. I recall once when Dennis made a unicycle out of an large old tricycle wheel on which he installed a bicycle seat. He was the only one who could ride it.
