

Dennis Hugh Leaman

July 29, 1950 - July 29, 2016

It is with a heavy heart to share the loss of my beloved Dennis. Our “Motorcycle, Motor Head, Geek” was loved by many.

Our Dennis was a jack of all trades. He could fix anything and was always willing to help and offer his expertise. Of course, YOU had to do the work. He was always teaching all of us lessons. I feel he still is. Dennis lived his life to the fullest and his family and friends were his highest priority.

Dennis Hugh Leaman, 66 of Sorrento, Florida was born July 29, 1950 in Tampa, Florida. Preceded him in death were his parents James and Bessie "Jones" Leaman. Dennis retired from the local Telephone Company after 31 years in the telecommunication industry.

Dennis and I traveled to Maine this summer stopping along the way to camp with family and friends. We had an amazing two months traveling, and we were excited to be returning home. Dennis passed away on his birthday July 29, 2016 in Greenville, South Carolina.

Dennis is survived by his wife Gerri Leaman, Sorrento Florida, Sister, Sandra Nunn, Sun City Florida, nephew, Jeff Smith, Plant City Florida, nephew Jim Smith, Tampa Florida. His stepson, Charlie Veigle, Apopka Florida, stepdaughter, Jennifer Mavrofrides, Lake Mary Florida and nine grandchildren. Hannah, Emma, Olivia, Maddie, Charlie, Luke, Sophie, Adam,

Nathan.

We will have a Celebration Of Life for Dennis at Lake Reception, Mount Dora Florida on Saturday August 20, 2016 4:00pm till 8:00pm.

DRESS CASUAL, SHORTS OR JEANS

In lieu of flowers, our wish is to support "JDRF Ride for the Cure for Type 1 Diabetes." Dennis was supportive of this cause because Diabetes has touched our family. Jennifer and I will be doing our 4th Century Ride in October at Amelia Island, Florida.

“ I'll always remember Dennis as a man of determination. Someone who would not be denied. Someone who always looked for a way to improve the way things were done. It was an honor to work with him as he made us all better. A friend to so many and a husband to a very special lady. As a fond memory, I can remember when Dennis and Gerri got married. All the guys in the office said " that Dennis is one lucky guy have Gerri as his wife". Well, I say Gerri was one lucky girl to have shared life with a wonderful man.

“ *Dennis Leaman was our dear friend. We have known him since high school. He has always lived his life to the fullest while enjoying time with friends and family. Dennis had his own way of dealing with those he did not know but knew no strangers.*

Yesterday is a memory, tomorrow is a mystery and today is a gift, which is why it is called the present. What the caterpillar perceives is the end; to the butterfly is just the beginning. Everything that has a beginning has an end. Make your peace with that and all will be well.

You were known by many and will be missed by all. Thank you for being in our lives. We will miss you.

“ I am so sorry for the Loss of Dennis. Even though we have not seen each other for a few years I thought of him and Gerri often. Especially during our annual Street Vibrations here in Reno and Hot August night Classic Car Rally. I remember all the good time we had at Camp Armo and other places. I was hoping to see him when I visited Florida but sure we will meet up again in our next life. Rest in Peace Brother. Sincerely, John Gillich

My sincere condolences to Gerri and the rest of Dennis's family and friends who knew Dennis, he was one of the nicest people I have ever known, I was friends with Dennis in the 70s and due to our jobs taking us to different parts of the country we lost contact, we reconnected in 2013.... I'm going to miss him...

“ *Our condolences go out to Gerri, all the immediate family, and the ton of friends that Dennis has made since childhood. Met Dennis & Gerri nearly 25 years ago, and immediately became great friends. There are so many fantastic memories, from Camp Armo, the Porch & Lake parties, driving the convertible, work luncheons, and of course, Flagler Beach, when "Illiiiiieeeyyyyye" was created! Dennis is greatly missed, loved, and now in God's hands. RIP our friend!*
