“ *Christopher & Elizabeth Porter - Friend posted a condolence Dennis "Chet" Robinson has been and always will be considered a dear friend and colleague. When debating politics or the fact that Texans are born in Texas; we always ended our disagreements with laughter. "Chet" brought great joy to those around him, and this world will be far less entertaining without his unique perspective. While we had a friendship than spanned a decade, I regret that we didn't have more time to rib one another. "Chet" will be missed by many, remembered by all whose life he touched, and forgotten by none.*
