“ I was bass fishing on Posey Lake with Al one evening and we had just started out, trying to get our "poop in a group" and Al made a nice cast towards shore. His lure landed on a dock at the feet of a young couple. The young woman shouted "What are you trying to catch? A person! Al replied instantly " Dry Land Suckers!". I still smile when I remember the couple's jaws drop. Thanks Al! I love you so....
