“ Wish we had known, we only known Derek short time, he was our neighbor in Silver Springs, Fl. we loved him, the best personality you could ask for, we loved him as a neighbor and a friend. Wish we knew him longer. So sad not to see him, we were worried about him when we hadn't seen him in awhile, called him and his phone was off. Then my husband saw movement at his place. and then meant his mother, then the news. So Sad... Such a good guy for sure. He will be missed here.
