“ Day by day I think of you,
How can all of this be true?
I can't believe you're really gone,
I still can't accept it,
Even after so long.
Just the thought of you makes me cry,
I never even got the chance to say goodbye.
Every picture I look at makes me think of all of the times we've
spent whn we were young wit Kuki ben each time I c that game you
bought me i will always remember hw I used to fight wit u many
things I never got to say,
I never imagined you'd ever be so far away.
You were my brother,
And I loved you like no other.
In my heart you'll always be,
You'll be my guide and help me see.
I'll never forget you and will always love u
But now I have to let you rest,
Although without you my world's a mess.
I miss you with all of my heart,
I wish we never had to part.
I know you're always by my side,
So now I guess this is my goodbye
I knw u in a safe place now wit Dada Baa and Kuki ben
Will miss u Dhiren bhai love you lots:(((love Kanu fuwa Nania foi

“ We are very saddened to hear of your loss and would like to express our sincere condolences.

*We keep asking ourselves 'Why?'
Anger, deep hurt, inconsolable grief, rage, disbelief are just a few of the words and feelings that are associated with thoughts of Dhiren's sudden death. However, in all the pain and sorrow that we feel, we must all also celebrate the fact that we have known Dhiren. Though he is no longer with us we will cherish the memories and celebrate that we were privileged and honored to have known him.*

*May peace and comfort find you during this difficult time.
Please let us know if there is anything we can do.
Our thoughts and prayers are with you.*
