“ I will always treasure the times that Mom, Dad and I shared in Florida with Aunt Diane and the whole family. I feel so lucky to have had that. I used to make Aunt Diane laugh just to hear her laugh and that's what I'll never forget is her wonderful laugh. I remember the time Mike and I stayed overnight with Patti and I was supposed to babysit Amanda the next morning while Patti was at work. There was a knock at the door and it was Aunt Diane; she skipped work (told us not to tell Uncle Dick hahaha) and took us all to the Miami Zoo. We had so much fun.
I can honestly say that Aunt Diane is one of the most beautiful, kind hearted human beings that ever walked this earth. As my heart breaks for my cousins, Ron and the rest of her family we will all keep Aunt Diane in our hearts and feel fortunate to have had such a shining star in our lives.

In one of the stars I shall be living. In one of them I shall be laughing. And so it will be as if all the stars were laughing, when you look at the sky at night . . . You--only you--will have stars that can laugh. And when your sorrow is comforted you will be content that you have known me. You will always be my friend. You will want to laugh with me. ~The Little Prince~

“ *Dearest Diane, I want to thank you for giving me wonderful memories. I've known you since I was very young (I believe you were expecting Darren) and you and Dick were my parents good friends. Patty and Rick became playmates when we would visit you while you lived in Clyde. Then as I grew up, I felt like I was part of your family. You had a way of making all feel that way it seemed. (Thanks for the talks we had). I will always cherish the memories of then and the visit when you let me, my husband and children stay with you when we came down to FI. So grateful to have been able to see you last Thurs and get a hug and kiss your sweet cheek. You will never be forgotten.*

“ My sympathy to Diana's family and friends. I graduated from Sandusky High (Ohio) with Diana. She was one of the most fun-loving girls in the class, and we will all miss her. It was always fun to see her at our class reunions in Ohio, even though we both lived part of our lives in Florida.

“ Aunt Diana; we will miss your smile and the way you made every one feel special. Family reunions will never be the same without you there. If only there were more people like you in the world. You always smiled and made the best of every day. Nothing could get your spirit down. Mom said her favorite memory of you is when you became a clown and modeled the clown suit she made for you. Who better to be a clown than some one who lived to make others happy.

Our love and condolences to Ronnie, Rick and Carol, Patty and Kevin, Darren and Bobbi Jo, Doug and Tricia Shaw, your grandchildren and great grandchild.

We will always love and miss you,
