

Diane M. Phillips

June 22, 1947 - April 28, 2021

Diane M. Phillips, 73 Winter Park, FL went to be with her Heavenly Father on Wednesday, April 28, 2021 surrounded by her loving husband, Michael C. Phillips USN (Ret), and precious daughter, Michelle Cornell, loving family members and professional care providers.

Diane was the daughter of James and Patricia Fitzpatrick. She was predeceased by both parents and her beloved grandson, Devon Fiorini Braungard.

Diane is survived by her children, Michelle Cornell (Ron) NY, Michael Phillips II (Lori) OH, Kevin Phillips, John Phillips, and Mathew Phillips (April) CA, her brothers, James Fitzpatrick (Joyce) NY, Sean Fitzpatrick FL, 3 nephews, Daniel Fitzpatrick (Sara) NY, Shane Fitzpatrick and Seth Fitzpatrick FL; grandchildren, Michael Phillips III USN,(Skylarr), Christopher, Clay OH, Ryan, Natalie, Daisy , Elizabeth, Grant, and Kyle, CA, her Goddaughter Lisa (Tim) FL, many loving nieces, nephews, and cousins.

Diane graduated from Catholic Central Diane HS in 1965 and began her 40 plus year career with Singer Link in Binghamton, NY. During her career in the Simulation and Modeling industry she met and made many dear friends. She was respected for her dedication, professionalism, and care for her colleagues. She was respected and loved by her many associates in and

outside the industry. Friendship to her was not just a word it was a commitment.

The Industry brought Diane and Mike to Florida in 1996 where they continued their work in Modeling and Simulation. This was an opportunity for Diane to spread her love and dedication to many more colleagues, friends and relatives. She had a loving and supportive family in Florida who became an intimate part of Mike and her daily life. Upon her retirement she and Mike used their time to travel and to be with their dear friends and relatives.

Diane was an avid traveler and enjoyed seeing the world with the love of her life and their family and friends. Diane was the light and laughter in every room. Her loving and nurturing nature drew life long friends, many of whom consider her their surrogate mother. She was "Mom" to many and never hesitated to grow her family. Diane's zest for life, infectious laugh, and Irish tenacity made her the beautiful woman she was both inside and out.

She will be sorely missed here by many and welcomed with open arms in heaven by so many more. Rest well sweet lady, until we meet again.

“ *Mr and Mrs Phillips were my neighbors back when they lived on acorn drive. They were wonderful. I got to know Diane more due to her being in a cast with a broken foot. So I would come over to visit her and take care of their pool. We kept in touch when they moved to florida. She was a sweet lady and will be missed by many. My love and support to all the family.*

“ It's her kind beautiful face that I will hold in my memory, the pure joy in her laughter that I hear when I think of Dee Dee that makes me smile. She was a warm loving hug to me. I am so glad that our last family dinner I hugged you and said "I Love You". Our world shifted with your passing but our heavens became brighter. Dee, was pure Love and I am so so blessed that she was such an influence in my life. I Love You Dee, fly with the Angels, and bring your Pure Joy to the Heavens.

“ *I love recalling how her father, my Uncle Jim, recorded Dee, my sister Kitty, and I singing in their kitchen in the house in Owego. He pictured us as the next Lennon sisters on the Lawrence Welk show. Until he played the tape back and heard our offkey voices. We were sure there was something wrong with the tape. We thought we were great. We were equally disappointing when our Nana tried to teach us Irish dancing in that same kitchen. Oh well. Diane had many wonderful talents and I will always love and miss her but none of us were destined for show business. Love you, cuz.*
