“ Dear Dr. George, Alice and yours...

*Oh, my... I just found your beautiful daughter's name within Todd DeGusipe's email notices... a shock to be sure. I've been receiving these for several years since the sudden death of our firstborn son, James, the day after Easter, 4/5/10. And... my heart goes out to you both on the passing of your precious girl. My Doug would have agreed that losing one's own child is not the natural order of things. I trust that he, with his gift of hospitality, has already welcomed her to Heaven; probably saw her as a child with you at Mass as he ushered. My Douglas peacefully departed our world this past New Year's Eve, early afternoon after a 6 yr. 4 mo. long illness; TBI. (He fooled many an unwary soul... :) And, I like to think he arrived at the Pearly Gates for the best New Year's Eve Party... just out of this world! I also wouldn't be a bit surprised if he'd arranged a Welcome Home Party for your Diane!! You may find Doug's and Jim's obits on this website, too... Thanks to Todd, our loved ones will all be remembered "Always"...*
