“ *Remembering helping your parents out to the field for their grandson Stephen's senior nite 1/2 time recognition @ HS football game. They were both so proud of him and got so much joy watching him play. I also remember fondly my teen years at the CCM hanging at the house and your parents were so kind. He had a great sense of humor and I loved hearing your mom razz him! May they both rest in peace, soul mates in life and death.*
