“ Was devastated to hear last night what happened to Don. My husband and I had our rehearsal dinner at Citrus and return each year for around our anniversary. He was always so kind and would take a few moments to catch up with us to see was going on in our lives. When we didn't see him last year I just assumed he was off for the evening, but last night asked about him when we noticed he wasn't there. What a horrible and senseless event. My thoughts and prayers go out to his family and friends. He was truly one of the good guys.

“ We went to Citrus last night for our regular post lacrosse game dinner and were shocked to hear about Don. He always greeted our family at the door and would ask our girls about their activities. Our thoughts and prayers are with his family, friends and co-workers. Don will be missed and Orlando lost a true treasure!

“ When we started working together way back when, Don not only became my co-worker, but he also instantly became my friend. He was that way towards everyone no matter what! Don was so personable and kind; he had a good heart. He will be sorely missed, but I know he's happily smiling down on us from paradise.
