“ Rosie Medders - Close friend posted a condolence *My heart breaks with the loss of Papa. His smile and sense of humor always brightened the room. Even though I wasn't family, he and Ma always had room for me and my boys and treated us like we were. I will always remember the love that he shared with me and so many more! Until we meet again Papa!*

“ *Stuart Hoff - Friend posted a condolence Don brought joy and laughter to all who were fortunate enough to know him. He will be missed, and there is an empty space in my heart and mind from losing him. I know how much he loved his family, and how his face would light up if he won at Thursday night poker. I will keep that mental picture with me.*

“ *Sandy - friend posted a condolence Oh Maria. I am so sorry to hear about Don. Chris and I are heartbroken that we did not visit a few weeks ago as we talked. Things got overwhelming with my mom's estate and time got away from us. Before we knew it it was too late at night to stop in. I so wished we had now but I am also grateful that my last memory of Don was when he was feeling good and happy. That is the one I want to remember. Please know that you and your family are in our prayers.*
