“ *Kit, sorry to hear of your Dad's passing. I was in Oil City last weekend and saw it in the paper. It has been a long time since those carefree summer days in President. It has also been a long time since someone would bring a car to your house for a test drive, but I can still remember that happening with a 1972 Gran Torino from Coad Ford. Take care, you and your family are in my thoughts and prayers. Donnie Cropp*
