“ Aunt Audrey, Linda, Diane and Vicki
It's has really been on my heart to come for the celebration of Uncle Don, but Nicki is one week from delivering her first born and I just have to be here for her.
I will be with you in spirit. Love you all so much and pray God's favor and comfort will go with you through these days ahead. If I never said it before, thank you so much for coming to visit. Every time that you came was fun and I have great memories of ya'll.
I made it a goal of mine several years ago to go to all of my nieces and nephews weddings and I am thinking I got that idea from you two.
Family ties are awesome. Love you all.

“ Very sorry at the loss of Uncle Donald. Have many memories of the early years when all the brothers would be playing cards at Grandma Martells. They were sure a rowdy bunch! I'm sad at the loss of another one of the twelve "Martell" clan...remember all the weddings and get togethers when I was so young...you all have my condolences###imported-begin###Janette (Bob Martell)

“ My Condolence to the family. He will be missed. My Mom told me she named me after her brother Donald. I will miss his humor as he always told me jokes that made me laugh.###imported-begin##Donald Homes###imported-end##
