“ I remember him as a very hard worker and being very proud of his work. I remember the tall teddy bear of a guy that I used to see when we got to visit. I'm so glad I got to be by his bedside and there for a bit for Kristy in the families time of need. Sending all my love and prayers ❤️🙏

“ Our Mother wanted me to say that the memory that we remember the most is that Donnie was real proud of his work history, working 30 and half years for the Seminole County School Board, at Sanford Middle School and able to Retire. He made employee of the year once.
