“ *It's been a year since you left us. We miss you every day. The holiday just wasn't the same without you. I love you Uncle Don.*

“ *Don and I shared some time together while in high school as well as working in the bowling alleys setting pins. Then again while we both were living in southern Calif.. In the summer of 64 (?) we drove from so Calif. to Pa, with Diane, his wife & daughter Danette the drive took 47 hours. Don drove the entire way.. I always tried to look him up while in Uniontown, with little success. Don was a kind and generous person, I always had respect for him. We also shared a little fun at shady grove swimming pool. I'll remember him with fondness..*
