“ *When I think of my brother, I remember his skill and enjoyment of woodworking. His passion of all things automotive. Don's love and pride of family. Anyone who met him was soon to be his friend. His smile was genuine and his heart was true. Missing him is only lessened by knowing we will be reunited again someday.*

WE

I have many fond memories of fun times at his Mom's house on Old Ravena Road. Many Scout meetings his mom's cookies. Also remember our School days & Don & Judy were inseparable even then. Remembering our own kids playing with their's at Don & Judy's home. Don was a fantastic artist & could make all of Disney's cartoon characters exactly like the originals. We missed them when their family moved to Florida but did get to visit their home there on numerous occasions. Don will be missed but never forgotten & Judy we will make it a point to visit you when we get to Florida.
