

## Donna Duvall

May 14, 1940 - February 10, 2022

The world lost another butterfly and an angel gained her wings. Our mother, sister, family member and friend to all, Mrs. Donna Duvall went to be with the lord and the love of her life Mr. Joseph Duvall on February 10th of 2022.

She knew everyone and everyone she knew she loved. She leaves behind her sister and best friend, Karen Binner, her "baby" brother Kent Goeseke, three sons, Andre, John and Shawn and two daughters Erica and Erin. She also leaves the ones who brought her the most joy, her grandchildren --11 grandsons, 3 granddaughters and 1 great granddaughter. She will be truly missed by all of those who knew her and loved her.

In lieu of flowers the family asks that donations be made in Donna's memory to Spay N Save, Longwood, Florida. You may donate online by visiting: <https://www.spaynsave.org/>

The family of Donna Duvall invites you to leave a message of condolence on the Tribute Wall created in her memory.

“ *Oh mama. I am so sorry. I miss you so much. I wanted to call you to tell you that Paul passed away because I knew you could make it better, but you're not here. I hope you have found each other and given each other a big hug. I know I could really use your hugs right now. I love you and I will never stop missing my mama 💔*

“ To my aunt Donna,

*there are so many wonderful memories that I have had throughout the years. You are loving, caring, forgiving, saucy, pretty, funny and flirty.*

*You really had a zest for life and a magnetic personality. Whether it was at the property in New York, the pig roast in Osteen, the many cruises, bunco parties, holidays (especially Easter for me) you were always there.*

*Even if it took a few practice husbands, I am so glad that you found Joe and had many wonderful years together. He really was the love of your life. You were good for each other and you definitely really were the original coyote!*

*You and my mom were the best of friends even if you didn't always agree on everything. Watching you two playing Pictionary was hilarious and you were two peas in a pod!*

*Finally, you loved and cherished your children and grandchildren unconditionally. I think one thing that everyone will agree on is that you were a good soul in this world and you will be missed by all of us.*

“ *What a wonderful lady she was. First class all the way. I worked with Donna at AEI and we all loved her so much. Heaven certainly got an Angel in Donna Mae. That's what I always called her. So sorry for your loss. Sorry I can't attend service as I am going to be out of town. RIP "DONNA MAE"❤️ Fly high sweetie*

*My beautiful sister Donna. We could always make each other laugh. One of my best memories is when she moved to Florida. It was some of our best times together.*
