“ I am still in shock and so saddened by Donna's passing so suddenly. Donna and I used to sing together. We both had music Ministries and served the Lord through song. She and I also worked together at the same Law Firm for years as legal secretaries. Donna and I were able to sing together a few times and I always felt like I wanted to sing more with her. Donna had such a love for the Lord and she was so filled with His presence, confidence, and His peace. Her laugh was contagious and she was a loyal and good friend to many. I miss her terribly but I am comforted by the thought that she is with our savior, Jesus.

“ The My heart hurts with shock, sadness and pain at your passing, - especially so suddenly Donna. I know you are CAPTIVATED by the Jesus you LOVED so much. Super extra prayers for all the family and friends that are still trying to process this. I am thankful the Lord blessed Donna with the thing she desired the most in life - To find that perfect man for her and marry again. What an amazing Earthly blessing she had as the Lord knew the day she would leave. SO MUCH LOVE.

“ I was shocked to hear of Donna’s passing. While we had lost touch in recent years, I remember well her sense of humor, her voice, her love of family, and her utter devotion to Jesus. I pray that God’s comfort and peace cover her loved ones in this season of grief. I am comforted by the knowledge that she is singing praises to the Lord while in His presence. Rest In Peace.

“ Sweet friend I know you have achieved all your hearts desires.... you were truly happy here on earth and now you’re living the dream with Jesus. While I will miss you more than I could ever express- my heart is happy knowing you’re in Heaven, happy & healthy. God be with us all as we go through life without Donna. Fill the void until we meet again.

“ When I saw this, I thought it sounded something Donna might say... "When tomorrow starts without me, please try to understand, that an angel came and called my name, and took me by the hand; the angel said my place was ready, in heaven far above, and that I have to leave behind all those I dearly love. But when I walked through heaven's gates, I felt so much at home, for God looked down, smiled at me, and told me 'Welcome Home', so when tomorrow starts without me don't think we're far apart, for every time you think of me, I'm right there in your heart."

I'm sure she has God laughing already! RIP sweet Donna!

“ *My thoughts & prayers are with Donna's family & friends. Donna was a distant cousin of mine. Donna's mother often brought Donna & her brother, Buddy to southwest VA to visit my grandmother. But as often happens, we all grew up & lost touch. The last time I saw Donna she sang at my grandmother's funeral. She did a cover of New Song's "This One is With Me". Thank you Donna for that memory! And now we can all say rejoicefully that Donna is with her Saviour now too!*

“What can I say to comfort the family and friends of someone as special as Donna. Words do not describe the wonderful person, wife, sister, daughter, and mother that she was. She was Special and was a Gift to all who had the luck to meet her. I’m happy to be one of those lucky persons.

But, while I know we’re all still in shock at her passing, I know she was happier than she had ever been. She had met the love of her life and had become his bride. She was secure in her Faith. She loved her family, especially her son Jordan. And even though we miss her dearly, we all know how happy she still is in the Presence of the Lord.

We love you now, Donna, and we always will and May God hold you in the Arms of the Lord forever.

So for now, I won’t say Goodbye. I’ll say, “Until we meet again”.

Love you.

“ *Words can not express the sorrow to hear of your loss, you were an inspiration, so full of life, love, kindness, peace and Joy. Thanks you Donna for adopting Gracie and being such a good mommy to her, I'm sure she misses you. My deepest sympathy to your family and friends. “ *I was so sad to hear that Donna has left us. She was such a light for Jesus on this earth. She sang at my wedding, was the first to train me on a new job in the legal field, sold me my Christmas trees, prayed with me, laughed and loved. My thoughts and prayers go out to her family.*

Our Beautiful Friend, we cannot believe that you are already Home. No words could ever describe the love and joy that you have brought into the lives of every person that you have ever met. Your Friendship has been an incredible gift from God! Your Joy and contagious laughter always blessed us tremendously! We have shared many happy times and then there were the days that we sat and wept together. I will never forget the day that your Daddy went Home to Jesus. It was at the very beginning of our Friendship. I can only imagine the joy that you are experiencing singing Praises to our Lord, with your Mom and Dad by your side. We will always love and miss you, Donna. Thank you for sharing life with all of us here. It will never be the same without you. We are praying for your entire Family. Until we meet again... We Love You

“ I have so many memories that it's hard to gather them all! Our first meeting, your first car (it was a matchbox car!), your first apartment, your wedding and birth of your sweetest gift (Jordan), playing piano and singing in a bar (it was attached to an event we attended-you didnt go to bars), being married to brothers, being divorced from brothers 😞. We spent many years apart but everytime we were back in each other's company it was as if we had never been apart!! You were a dear and faithful friend. I can hardly wait until I see you again! ❤️

“ Donna was an incredible person, gifted in so many areas, caring, kind, wise, joyful, loving, anointed worship leader, heart after God, dear and faithful friend. Certainly heaven's gain, but our hearts are heavy with our great loss. Praying for the great loves of her life - Jesus, Joe, Jordan & Jenny, along with the rest of us who loved her so much. She will be so greatly missed.

Donna was a remarkable person in so many ways. She had a heart for everyone! Her dedication to God fascinated me as her loyalty to lead in praise and worship services...

She will definitely be missed! I could not have had a niece that I am more proud of!
