“ Donna, one heart stopped and a thousand more were broken from the pain of love lossed and words unspoken. You are, have been and will always be one of the most alive and viberant people I have ever known a true force of nature. Your smile, your laugh and especially your fierce defense of those you love have always been a guiding light. For 35 years you have been and shall always be my BEST FRIEND a place you shared with Emmy. Pat, PJ and I will miss you every second of everyday till we meet again. I know you are sad to have left but are happy to be with Donny and David. We love you now we loved you then we will love you till times end. Fly high my angel! Love Peanut-Pat- PJ
