“ *Brother Don had a distinctive voice that was a pure joy to hear. We worshiped together in the Manchester Church of Christ of Connecticut. He served on the Lord's table often and well. His devotion to the teachings of the bible were seen in his daily life as he always had a way of lifting up others that he came in contact with. My wife and I are honored to spend time with him while he was with us in Manchester.*

“ *I've known Donnie for over 47 years and we were good friends to each other. He was always there when I needed him and I would do anything for him. We saw each other through some trying times. My heart is aching for his family. He will be missed. I remember most his big smile, his comforting hugs and words and, of course, his cowboy hat and boots. Rest In Peace, my friend!!* ❤️❤️❤️

“ *Don Gipson was a Brother in Christ, and there is nothing better than that. I was honored to have had good quality fellowship with Don over the past several years. We served together as we worshipped and prayed together and had a ton of laughs together. We have even cried together. But never ever did we cry over banana puddin'! I WILL see him again one day!*
